# BENEFITS OF CLASSIC DPC

## For your employees:

- Same or next day appointments
- After-hours access to your doctor (phone, text)
- More time with your doctor, no rushed visits
- No copays or deductibles
- Many office procedures for free
- Labs and radiology at significant discount
- In-house pharmacy with wholesale prices
- Transparent, simple, and manageable cost
- Your own board-certified, experienced doctor

## For your business:

- Reduced medical expenses - we take the majority of medical expenses and cap the cost at a low monthly fee
- Reduced absenteeism - same or next day appointments and free telemedicine means we can take care of issues quickly, as well as avoid costly trips to the ER or urgent care
- 80-90% discount on labs, imaging, and meds
- Potential overall savings of at least 20-30% when compared to traditional insurance coverage
